

FRENCH AT LIOJ

"Bonjour, ca va?" It's true, LIOJ is more than just an English school!
A small group meets secretly at Asia Center to study the language of love,
poetry and fine wine. We practise very easy French for 90 minutes, then
we have a question period in English and Japanese. Beginners are welcome
to join - but please keep our secret! "Ca va bien. Et toi?"

DO YOU KNOW THIS STORY?

FAMOUS FABLES AND PARABLES Series#1

There once was a rabbit who was very famous for being the fastest animal in the forest. He was always bragging and boasting about how fast he was. One day a turtle overheard him and said, "Mr. Rabbit, you are certainly very fast, but I can beat you in a race." The rabbit laughed that such a slow animal as a turtle thought he could beat a rabbit. Anyway, they decided to race to the lake and back. The rabbit started off very fast and had soon run away ahead of the turtle, but the turtle kept moving ahead one step at a time. Soon the rabbit could no longer see the turtle and he decided to take a nap since he was sure to win the race. While the rabbit was sleeping, the turtle continued moving ahead one step at a time. Soon he had passed the rabbit and already returning from the lake. When the rabbit woke up, he saw that the turtle was almost at the finish line, and he began to run as fast as he could. But, no matter how hard he tried, he could not catch the turtle, who won the race by moving ahead one step at a time.

LCS (LIOJ Community Score) による 受講可能クラス判断表

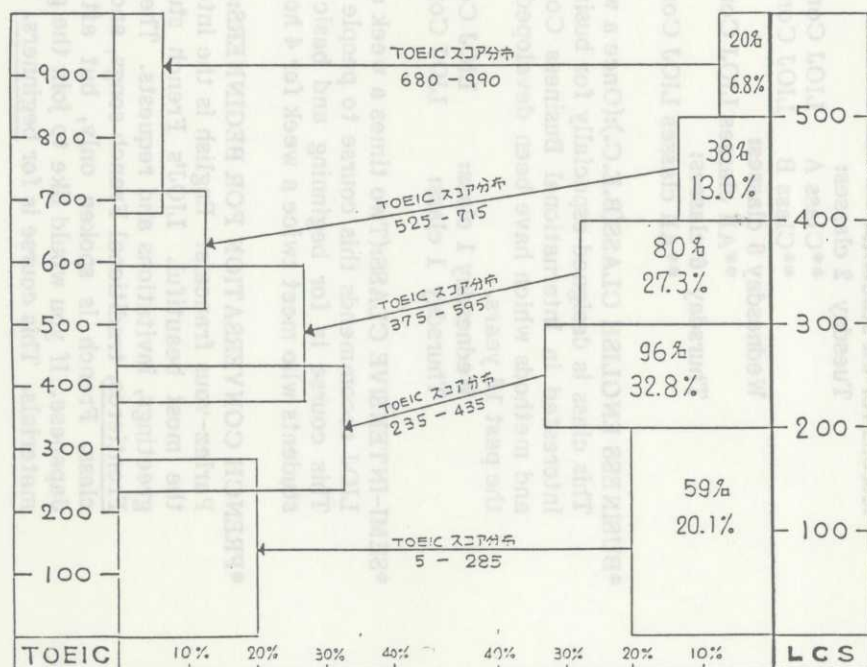

下記表の右半分は、各人のLCSに基づき受講クラスを選択するための早見表です。
LIOJのコミュニティーコースでは「聴く」・「話す」の2点に重点を置いて授業が進められております。この理由からTOEICスコアにおいてLISTENINGのスコアを重視する一方、READINGのスコアから英会話の基礎となる読解力や語力、文法等についても評価するLIOJ独自の「LCS」(LIOJ Community Score)を採用致します。

LCS (LIOJ Community Score) 計算方法

* TOEIC LISTENING SCORE + TOEIC READING SCOREの40% = LCS *

Aさんの場合: TOEIC LISTENING 250 + READING 150 = 400
250 + 150 x 0.4 = 310 (AさんのLCS)

そこでAさんはLCSを基に受講できるクラスを判断表から選択したところ、週2回コース一般水曜日・木曜日・婦人コース・ビジネスイングリッシュ水曜日・フランス語コースと絞られました。

THANK YOU AND GOOD LUCK TO YOU

この3月を以て、3名の教師が退職いたします。
LIOJの歴史に燃然と輝く最長不倒、不屈の精神とそのバイタリティーで前人未踏の5年間この先決して破られることはない記録です。Magic Mike、御苦労様でした。
To all the students in the LIOJ Community Program:

After five years at LIOJ, I'm finally leaving. However, I'm not leaving Japan. From April I'll be teaching English at ICU in Mitaka. I want to thank all of you for making these five years at LIOJ some of the best in my life. I want to thank the office staff for all their help. In the past five years I have learned many things about Japan and myself. I hope you have learned a little English from me. One of the first things I saw when I came to Odawara was the beautiful moon over Sagami Bay. In many karaoke bars since then I have sung "I Left My Heart in San Francisco" many, many times. But now I know that I have left my heart in Odawara with the moon. Thank you-Michael Kleindl

この2年半の間、ついに終始Gentlemanであり続けたDave Pickles、これからも東京で頑張ってください。

Dear Community Program members:

My last day at LIOJ will be March 28. In April I'll move to Tokyo and start a new job teaching English at ICU in Mitaka. My two-and-a-half years here have been wonderful and memorable. I'll miss living in Odawara and working with you fine people, and I hope we'll be able to meet again -- Mitaka is not so far from Odawara. Finally, thank you for your kindness, and for all you've taught me about about yourselves and Japan. Good-bye and good luck!

Dave Pickles

1年間の短い期間ではありましたが、日本での長い生活と母親としての経験を生かして、子供クラスの良き教師であったJanice 三浦、また街で会ったらよろしく...

Every beginning comes to an end. And with every end there is a beginning. This month, my time at LIOJ will come to an end. I have spent most of my time here teaching the children and I'm really gonna miss the little guys. I won't be leaving Odawara as my husband has opened his acupuncture clinic. I'm looking forward to spending more time with my own child, as she also needs to learn English! To all of you thanks for some fun(ny) times.

See you again - I'm sure! Janice Miura

LIOJ NEWSLETTER No. 2

LIOJ COMMUNITY COURSE FOR SPRING 1986

***ELEMENTARY SCHOOL CLASS:** (Once a week on TUE.WED.THU.FRI. or SAT. for 11 weeks)
It is easier for children to learn to speak a foreign language. At LIOJ students have the opportunity to listen and speak to non-Japanese. This interaction increases students confidence in using English.

***JUNIOR HIGH SCHOOL CLASS:** (Once a week on Wednesday for 11 weeks)

***SENIOR HIGH SCHOOL CLASS:** (Once a week on TUE.THU.FRI.SAT. for 11 weeks)
The emphasis of both courses is to offer students a real life situation in which to practice the English they have learned at school. The courses are not designed to help students pass an entrance examination but provide the opportunity to use the spoken language. LIOJ hopes that these students will begin to find English more interesting.

***LADIES CLASS:** (Once a week on Wednesday for 10 weeks, 5 classes)

This course is offered to ladies only on Wednesday morning. It is for someone who has studied English when she was a student and is still interested in learning English or is for someone who has free time and is looking for something to do after raising their children. There are 5 levels so that women with many different levels can attend.

***TUESDAY NIGHT SCHOOL:** (Once a week on TUE. for 10 weeks, 2 classes)

***WEDNESDAY NIGHT SCHOOL:** (Once a week on WED. for 10 weeks, 6 classes)

***THURSDAY NIGHT SCHOOL:** (Once a week on THU. for 10 weeks, 6 classes)

Our students, aged 18 to 60, have a variety of backgrounds, such as businessmen, office ladies, engineers, university students and housewives. Night school provides them with a chance to use the English they have studied by themselves during the week and keeps up their interest in learning English. There are many levels in order to provide adequate lessons for all students.

Tuesday 2 classes:

**Class A LIOJ Community Score(LCS) 330 - 390

**Class B LIOJ Community Score(LCS) 490 and higher

Wednesday 6 classes:

**All classes LIOJ Community Score(LCS) 0 - 489

Thursday 6 classes:

**All classes LIOJ Community Score(LCS) 0 - 489

***BUSINESS ENGLISH CLASS(B.E.C.):** (Once a week on WED. or THU. for 10 weeks)

This class is designed especially for businessmen who need English for their jobs and are interested in International Business Communication. Class includes various materials and methods which have been developed in our residential course for businessmen over the past 16 years.

Wednesday 1 class: LIOJ Community Score(LCS) 300 - 390

Thursday 1 class: LIOJ Community Score(LCS) 391 and higher

***SEMI-INTENSIVE CLASS:** (Two times a week on MON. & THU. for 10 weeks, 3 classes)

LIOJ recommends this course to people who really want to improve their English skills. This course is for beginning and basic level students. There are a small number of students who meet twice a week for 4 hours.

***FRENCH CONVERSATION FOR BEGINNERS:** (Once a week on Thursday for 10 weeks)

Parlez-vous francais? English is the international language of the world, but French is the most beautiful. LIOJ's French students practise the basic expressions, such as greetings, invitations and requests. The main materials are the introductory text Sans Frontieres, traditional French songs, and sometimes a little French wine and cheese. In class, French is spoken only, but after class you can ask questions in English or Japanese. If you would like to join the group, please ask the LIOJ office for preparatory materials. This course is for beginners. Bienvenue!

*** TOEIC TEST SCORE IS REQUIRED TO TAKE LIOJ COMMUNITY COURSES EXCEPT Elementary class, Junior and Senior High school classes.

*** LIOJ stresses the communicative skills of listening comprehension and speaking in its community programs. For this reason, a heavier stress is being put on the TOEIC listening comprehension score. However, since the reading section of the TOEIC contains vocabulary and grammar as well as reading comprehension, a percentage of the total reading score will be added to the listening comprehension score. To figure the score, take 40% of the total reading score and add it to the listening comprehension score. This score will be your LIOJ community score.

***The way to figure out your LIOJ Community Score(LCS) is to

Example:	Listening score	Reading score	Total score
TOEIC Score	250 +	150	= 400
LIOJ Community Score(LCS)	250 +	60(150 X 0.4) =	<u>310(LCS)</u>
